Our Story is Etched in Stone,
Rooted in Soil and Captured in Spirit.

WITCHMARK
DISTILLERY

Did you know?

Our name derives from the many 'witch marks' found on the beautiful old stone buildings that make up our distillery, dating as far back as the early 1600s. These 'witch marks', made from scribing interlinking circles, were carved into the stone and wood beams of our buildings to protect the occupants and the produce within from evil spirits.

Pure English Spirits

Nestled in southwest Wiltshire's historic 9,000-acre Fonthill Estate, Witchmark crafts single origin English spirits with a unique approach.

Unlike other brands, we create our own neutral grain spirit for gins and vodkas, ensuring complete control over quality from grain to glass.

Our Grade II listed barn from the 1600s houses a distillery and visitor centre where we use premium barley from local chalk downlands and pure limestone-filtered water.

We're pioneering a greener distilling future, meticulously crafting spirits that honour our landscape and legacy with every drop reflecting our unwavering commitment to environmental stewardship.

Our range includes Wiltshire Gin, Black Lime Gin, and Vodka, with our first single malt whisky debuting in 2027. A new chapter in whisky history is being written and it's etched in Wiltshire stone.

SINGLE ORIGIN ENGLISH GIN

WILTSHIRE GIN

Wiltshire gin is a celebration of floral elegance and citrus brightness, balanced with herbal and spicy notes. A juniper-forward profile is harmonized by lime and grapefruit, while lavender, orange blossom, and jasmine add fragrant complexity. Ginger and basil provide warmth, and sloe brings a touch of sweetness for a layered flavour.
